I understand that I must have paid an amount of income tax / capital gains tax at least equal to the amount the Charity will reclaim on my donation in the tax year the gift was received.

Gift Aid - *one of the simplest and most effective ways of giving to charity.*

In April 6th 2000, **Gift Aid scheme** was extended to apply to any donation of any value, regular or one off, allowing charities to claim tax relief at the basic rate on donations made by individuals –so please increase your giving by 28% by signing this declaration form below, that's an extra 28p for every pound you give!

All that is required is a one off declaration that can be made by post, fax, or by Internet.

You must however, have paid an amount of income tax and/or capital gains tax at least equal to the tax that we will reclaim on your donation in the tax year that your gift is received.

If you pay tax at the higher rate you are also entitled to claim further tax relief in your annual Self-Assessment tax return.

Should your circumstances change or you no longer wish to subscribe to the scheme, then you can cancel your declaration at any time either by fax, email or in writing

Please also notify us of any changes in name and address.

If you are unsure whether your donations qualify for Gift Aid tax relief, then please do not hesitate to contact us on +44 208 407 5767 , or you can contact the Inland Revenue directly by phone on their Gift Aid help line 0151 472 6038 or on-line at
